If you tell us within 2 business days after you learn of the loss or theft of your card or code, you can lose no more than \$50 if someone used your card or code without your permission.

If you do NOT tell us within two business days after you learn of the loss or theft of your card or code and we can prove we could have stopped someone from using your card or code without your permission if you had told us, you could lose as much as \$500.00.

LIMITATION OF LIABILITY FOR UNAUTHORIZED VISA POINT OF SALE TRANSACTIONS AND UNAUTHORIZED PLUS SYSTEM TRANSACTIONS: You will tell us AT ONCE if you believe your VISA Check Card has been lost or stolen or of any unauthorized transactions. Your liability for unauthorized VISA Check Card transactions that take place on the VISA system or VISA's PLUS system is zero dollars (\$0.00). We may require you to provide a written statement regarding claims of unauthorized VISA Check Card transactions. With respect to unauthorized transactions, these limits may be exceeded to the extent allowed under applicable law (see CONSUMER'S LIABILITY paragraph) only if we determine that you were grossly negligent or fraudulent in the handling of your account or VISA Card.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, you will tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money that you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

- Tell us your name and account number (if any).

We will determine whether an error occurred within 10 business days (5 business days if VISA® Checkcard point-of-sale transaction, and 20 business days if new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if point-of-sale transaction, or new account, or a foreign initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days if VISA® Checkcard point-of-sale transaction, and 20 business days if new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. For the purpose of this paragraph, an account is a new account for a period of 30 days from the date of the first deposit to the account.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.
